

**COMMUNITY TREE  
Plaque Order Form**

The West Northfield School District 31 Education Foundation Community Tree is the perfect way to recognize a teacher or staff member who made a difference to your child or your family or recognize your child's graduation from Field Middle / Winkelman Elementary School.

A plaque inscribed with your personal message will enable the honoree to have a lasting tribute in their name. Your donation will help fund capital campaigns to benefit our local schools.

Feel free to visit this beautiful tree located just outside the district office at Field Middle School.

Please use a separate Order form for each leaf and or rock purchased.

Your selection is:  Rock \$250  Leaf \$150
